Drug Awareness

Beacham, Bill	Center for Drug Free Communities	Why Are Kids Getting Sicker-Quicker! The Landscape of Chemical Use is Changing
----------------------	---	---

This is a dynamic, comprehensive look at what's happening in youth chemical use. It will provide current research and practical experiential information on why our youth are getting so sick-so quick. We will identify environmental, individual and agent influences on age of onset, rapid brain development, compression of addiction, psychological adaptation and emotional attachment. We will also identify the continuum of addiction, identify the four phases of youth chemical use, identify specific drug use patterns and drug testing, and explore the pharmaceuticals and black box warning.

<i>Course 4001</i>	<i>7/22/2009</i>	<i>10:00 AM - 12:00 Noon</i>	<i>Monterrey 1-3</i>
--------------------	------------------	------------------------------	----------------------

Beacham, Bill	Center for Drug Free Communities	My Family?? Your Family?? The System of Addiction....
----------------------	---	--

This workshop is filled with the intensity of families going through addiction. Utilizing the "Family Sculpturing" technique to demonstrate the chaos and dysfunction that all family members feel. How children survive or thrive in difficult circumstances and what they bring into your classroom. Come join the family enabler, hero, scapegoat, mascot and lost child for a workshop filled with insights and surprises.

<i>Course 4002</i>	<i>7/23/2009</i>	<i>7:30 - 9:30 AM</i>	<i>Monterrey 3</i>
<i>Course 4003</i>	<i>7/23/2009</i>	<i>9:45 - 11:45 AM</i>	<i>Monterrey 3</i>
